

2024 Grant H. Flint International Scholarship Awards Program

The Harvey W. Gershman Scholarship

Dear Northeastern University Junior or Senior:

The Solid Waste Association of North America (SWANA) is pleased to introduce the Harvey W. Gershman Scholarship for students interested in a career in solid waste or resource management

Mr. Gershman is co-founder and owner [of Gershman, Brickner & Bratton, Inc. \(GBB\)](#), which is a solid waste management consulting firm based in Northern Virginia. He is a proud graduate of Northeastern University and a SWANA life member—a recognition awarded for the many contributions Mr. Gershman made to the industry through his career. SWANA manages the Gershman Scholarship as part of its annual Grant H. Flint International Scholarship program.

SWANA is a professional association of more than 10,500 members who work in solid waste management. That industry is far advanced from the old stereotypes of “garbage men.” Our membership is diverse, and we encourage you to consider how your selected area of study might lead you into our professional ranks.

To be eligible to apply for the Gershman Scholarship, worth \$5,000 US, you must be:

- Enrolled full-time in college or university for the period of time the scholarship will be used. Priority is given to students currently enrolled at Northeastern University in Boston, MA, but students from any school are eligible.
- Entering your junior or senior year of undergraduate studies—year determined by credits earned.
- Pursuing a degree in studies applicable to the field of solid waste or resource management and intending to seek employment in the field.

To support your future career goals and to introduce you to SWANA, we encourage you to join as student member (free to all full-time, enrolled students) by visiting [SWANA.org/community/membership/student-membership](https://www.swana.org/community/membership/student-membership).

Gershman Scholarship applications from Northeastern University students must be received by SWANA’s Staff at membership@swana.org no later than May 1, 2024. Awards will be announced during summer 2024.

We look forward to receiving your application. Best of luck as you continue your education.

Sincerely,

Tammy Bennett

Senior Director of Membership/Scholarship Administrator

II. ELIGIBILITY:

To be eligible to apply for the Gershman Scholarship, you must satisfy all the following requirements:

- Enrolled full-time in college or university for the period of time the scholarship will be used. Priority is given to students currently enrolled at Northeastern University in Boston, MA, but students from any school are eligible
- Entering your junior or senior year of undergraduate studies—year determined by credits earned
- Pursuing a degree in studies applicable to the field of solid waste or resource management and intending to seek employment in the field.

- **May 1**—All completed application forms and back-up documentation must be received by SWANA's Staff Scholarship Administrator.
- **June**—Staff Scholarship Administrator forwards all qualifying Gershman applications from Northeastern University students to the International Scholarship Committee as part of forwarding all other Chapter scholarship nominations.
- **August**—International Scholarship winners are announced.

III. CRITERIA:

The Scholarship Committee will evaluate the Gershman Scholarship applications as follows:

A. Currently enrolled Northeastern University junior or senior = 30%

Students from Northeastern will receive 30 points; applicants from other schools considered for this award through SWANA's Grant H. Flint Scholarship program for undergraduate juniors and seniors will not.

B. Academics = 30%

SWANA's Scholarship Committee considers past academic performance an important selection criterion. Your application must provide enough information to allow the Scholarship Committee to evaluate your academic performance.

- **REQUIRED:** Provide a transcript of your college/university transcripts up to the conclusion of the most recent period (quarter, trimester, semester).
 - An official, unofficial or PDF copy of your transcript is required to be attached to your application. The transcript must provide marks for all courses and a measure of your academic performance when measured on the school's standardized scoring system
 - Identify the scale used (e.g., 4.0 on a 4.0 scale). An example of one possible measure satisfying this request for US based students is grade point average (GPA). SWANA acknowledges that not all schools use this measure and will accept other measures documented by the transcript.
- **OPTIONAL:** Attach documentation of any other college/university-level **academic performance, awards, or recognition** and/or letters of recommendation related to academic performance you believe the Scholarship Committee should consider.

Application Information

C. Relationship of Studies to Solid Waste Management = 50%

The Committee will consider your current and completed courses, advisor/professor input, and your completed essay in its evaluations.

- **REQUIRED:** Complete the form that asks for additional information about coursework related to solid waste management and/or a potential career in the industry.
- **REQUIRED:** Please have your faculty advisory or a key professor in your studies related to solid waste management provide a one-page letter that discusses your academic performance.
- **REQUIRED:** Write a one-page, original essay about the topic identified in Question 4. SWANA considers each essay for its potential as a blog post on social media, regardless of selection for a Scholarship.

Describe what you did and how often you participated. Attach documentation and/or letters of recommendation to help the Scholarship Committee appropriately score this part of your application.

D. Other Activities = 20%

Other Activities are activities and programs that can be connected with your studies (research, internships, assistantships), associated with school (participation student organizations), or entirely unrelated (volunteer activities, military service, employment).

- **REQUIRED:** Complete the forms that ask for information about your Other Activities.
- **OPTIONAL:** Attach a current copy of your resume.

F. Disqualification

Applying is not a guarantee of funding. The Scholarship Committee may disqualify an application for any of the following reasons:

- Applicant fails to meet the May 1 deadline for submitting the application
